Welcome to **StockPredictorAI**, the ultimate platform where financial insight meets social competition. Whether you're a seasoned analyst or a rising star, our platform empowers you to predict market movements, climb the leaderboards, and monetize your expertise.

This walkthrough showcases the core features of our application, designed to provide a seamless and engaging experience for all users.

---

## 1. The Hub: Community Feed

---

Your journey begins here. The **Home Page** is now your central hub for market intelligence, featuring the **Live Community Feed**. See real-time predictions from all users, filter by "Active" to see live calls, or "Assessed" to see past performance. It's the best place to find new trading ideas immediately upon login.

The screenshot shows the 'Explore Predictions' section of the StockPredictor AI website. At the top, there are filters for 'Filter by Stock' (e.g., AAPL), 'Prediction Type' (All), 'Sort By' (Most Recent), and a checkbox for 'Show Verified Predictors Only'. Below the filters, there are two cards for 'Active' predictions:

- Analyst1** (Avg Rating: 75.0) for **AAPL**: Predicts a price of **\$180.50 (3.1%)** by Mon, Dec 1. It has 0 likes and 0 dislikes.
- Analyst2** (Avg Rating: 92.0) for **TSLA**: Predicts a price of **\$250.00 (4.2%)** by Mon, Dec 1. It also has 0 likes and 0 dislikes.

## 2. Watch Your Favorites: Watchlist

Keep a close eye on the assets that matter to you. The **Watchlist** allows you to track specific stocks and see their latest performance and community sentiment at a glance.

The screenshot shows the 'My Watchlist' section of the StockPredictor AI website. At the top, there is a search bar with placeholder text 'Search stocks...', a green '+' button, a bell icon for notifications, and a menu icon. Below the search bar, the heading 'My Watchlist' is displayed with a '+' button and an edit icon.

Four stocks are listed in the watchlist:

- TSLA**: \$430.17 (0.8%)
- DUOL**: \$191.41 (1.6%)
- AMZN**: \$233.22 (1.8%)
- HOOD**: \$128.49 (0.2%)

Below the watchlist, there are two sections: 'Active Predictions for TSLA' and 'Recommended Predictors'.

**Active Predictions for TSLA:** This section includes a filter for 'Filter by Type' (All) and 'Sort By' (Most Recent). It lists two predictions from 'Faruk Altan':

- \$485.00 (12.7%)** Yearly by Wed, Dec 31
- \$410.04 (-4.7%)** Yearly by Wed, Sep 16

**Recommended Predictors:** This section lists three recommended predictors:

- Omer Arar** (Avg Rating: 79.59) with a 'Follow' button
- Tom Johnson** (Avg Rating: 70.28) with a 'Follow' button
- Hakkan Arar** (Avg Rating: 88) with a 'Follow' button

### 3. 🔥 Pulse of the Market: Hourly Winners

---

Stay updated with the **Last Hour's Winners**. This real-time feed highlights the top-performing predictions from the community, giving you instant insight into who's making the right calls *right now*.

The screenshot shows the StockPredictor AI dashboard with the following sections:

- Last Hour's Winners:** Shows "No predictions assessed yet."
- Market Watch:** Displays price and percentage changes for various assets:
  - Gold: \$4,254.90, 1.3%

Start the Wizard

The screenshot shows a dark-themed user interface for StockPredictor AI. At the top, there are navigation links for CRM, a prediction button, and a stock search bar. A banner at the top right informs users about upcoming earnings for RY. Below this, a modal window titled "Recommendation Wizard" is displayed. The modal header says "Your Top Recommendations". It lists three "Golden Members" with their names (G1, G2, G3) and "Match" percentages (95%, 88%, 75% respectively). Each member has a "Join (\$5/mo)" button below their profile. A "Close" button is located at the bottom right of the modal.

## 9. 📈 Market Focus: Stock Page (AAPL)

Dive deep into individual assets. The **Stock Page** provides detailed information, real-time charts, and community sentiment for specific stocks like Apple (AAPL).

The screenshot shows the StockPredictor AI interface for Apple Inc. (AAPL). The top bar includes the StockPredictor AI logo (BETA), a search bar, and a notification bell. The main content area features the stock's name "Apple Inc." and symbol "(AAPL)". To the right, the current price is listed as "\$278.85" with a change of "+\$1.30 (0.5%)". Below this, a "Make a Prediction" button is visible. A "Community Sentiment" section displays daily, weekly, and quarterly price target predictions from the community. The daily target is "-28.3% \$200.00" (based on 1 prediction), the weekly is "8.0% \$301.16" (based on 1 prediction), and the quarterly is "-14.9% \$237.43" (based on 2 predictions). At the bottom, a section titled "Active Predictions on AAPL" shows a prediction by "Faruk Altan" with a weekly target of "\$301.16 (+8.00%)".

## 🌟 Top Predictors for AAPL

Who knows AAPL best? See the **Top Predictors** for each specific stock to find experts who specialize in the assets you care about.

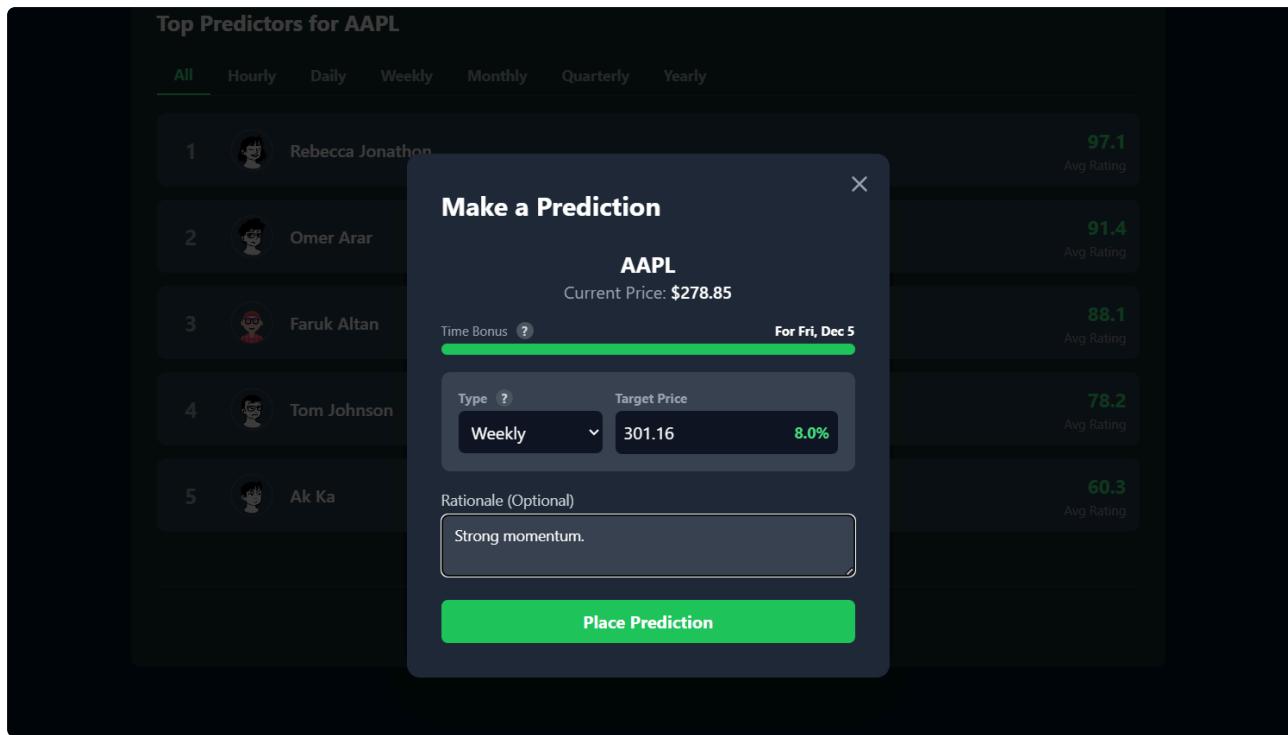

The screenshot shows a dark-themed web page titled "Top Predictors for AAPL". At the top, there is a navigation bar with tabs: All (which is highlighted in green), Hourly, Daily, Weekly, Monthly, Quarterly, and Yearly. Below the navigation bar is a list of five predictors, each represented by a card:

| Rank | Predictor Name   | Avg Rating |
|------|------------------|------------|
| 1    | Rebecca Jonathon | 97.1       |
| 2    | Omer Arar        | 91.4       |

Each card includes a small circular profile icon next to the predictor's name. At the bottom of the list, there is a "Load More" button.

## 🎯 Making a Prediction

Seize the opportunity. The **Prediction Modal** makes it easy to set your target price, choose a timeframe, and add your rationale. Once submitted, your prediction is tracked in real-time on the **Prediction Detail Page**.

The screenshot shows a dark-themed user interface for StockPredictor AI. At the top, a header reads "earning day for BHP is this Tuesday. Make a prediction View BHP Stock Page" and "BREAKING EARNINGS: Upcoming earning day for CRWD is this Tuesday. Make a prediction". Below this is a search bar with the placeholder "Search stocks..." and icons for adding a stock and notifications. A central card displays a weekly prediction for AAPL, labeled "Active". It features a horizontal slider with markers for "Initial" and "Target". The "Target Price" is listed as \$301.16, and the "Rating at Close" section shows three dots. Below the card, a "Time Remaining" section shows "5d 7h 21m 35s". At the bottom, a "DO YOU AGREE?" section shows 0 likes and 0 dislikes, and a comment icon with 13 comments.

## 10. 🎙 Stay Connected: Notifications

Never miss a beat. Our **Notification System** keeps you alerted on prediction outcomes, new followers, and market movements that matter to you.

The screenshot shows the StockPredictor AI dashboard. At the top, there are navigation links: "Make a prediction", "View CRM Stock Page", "BREAKING EARNINGS: Upcoming earning day for RY is this Wednesday.", "Make a prediction", "View RY Stock Page", and "BREAK". Below this is the "StockPredictor AI" logo with a "BETA" badge. A search bar and a notification icon are also present. On the left, there are sections for "Followers (3)", "Following (2)", and "Subscribers (0)". A message states "No users to display in this list." In the center, a callout box titled "Find Your Perfect Golden M" asks to answer quick questions about investment style and offers a "Start the Wizard" button. To the right, a "Notifications" sidebar lists several items: "Omer Arar started following you.", "Your Weekly prediction on ETH-USD earned a 96.2 rating!", "Your Weekly prediction on BTC-USD earned a 94.1 rating!", "Your Weekly prediction on NQ=F earned a 96.5 rating!", "Your Weekly prediction on NQ=F earned a 96.5 rating!", "Your Weekly prediction on GC=F earned a 95.4 rating!", and "Your Weekly prediction on MSFT earned a 86.7 rating!". A "Clear All" button is at the bottom of the sidebar.

## 11. 🤖 Smart Insights: AI Wizard

Leverage the power of AI. The **AI Wizard** (Waitlist) promises to bring cutting-edge machine learning insights to your trading strategy, helping you make data-driven decisions.

The screenshot shows the AI Portfolio Assist landing page. At the top, there are navigation links: "Upcoming earning day for BHP is this Tuesday.", "Make a prediction", "View BHP Stock Page", "BREAKING EARNINGS: Upcoming earning day for CRWD is this Tuesday.", and "Make a prediction". Below this is the "StockPredictor AI" logo with a "BETA" badge. A search bar and a notification icon are also present. A "COMING SOON" button is visible. The main title is "AI Portfolio Assist". Below it, a subtitle says "Get personalized stock recommendations based on the patterns of our top-performing predictors." There are three cards: "Define Your Style" (with a clipboard icon), "AI Analyzes Data" (with a brain icon), and "Get Insights" (with a chart icon). Each card has a brief description: "Answer a few questions about your investment timeframe and interests.", "Our system finds top predictors who consistently win in your areas of interest.", and "Receive a curated feed of stocks that our best analysts are watching."
