A "Load More" button is located at the bottom of the list.

⌚ Making a Prediction

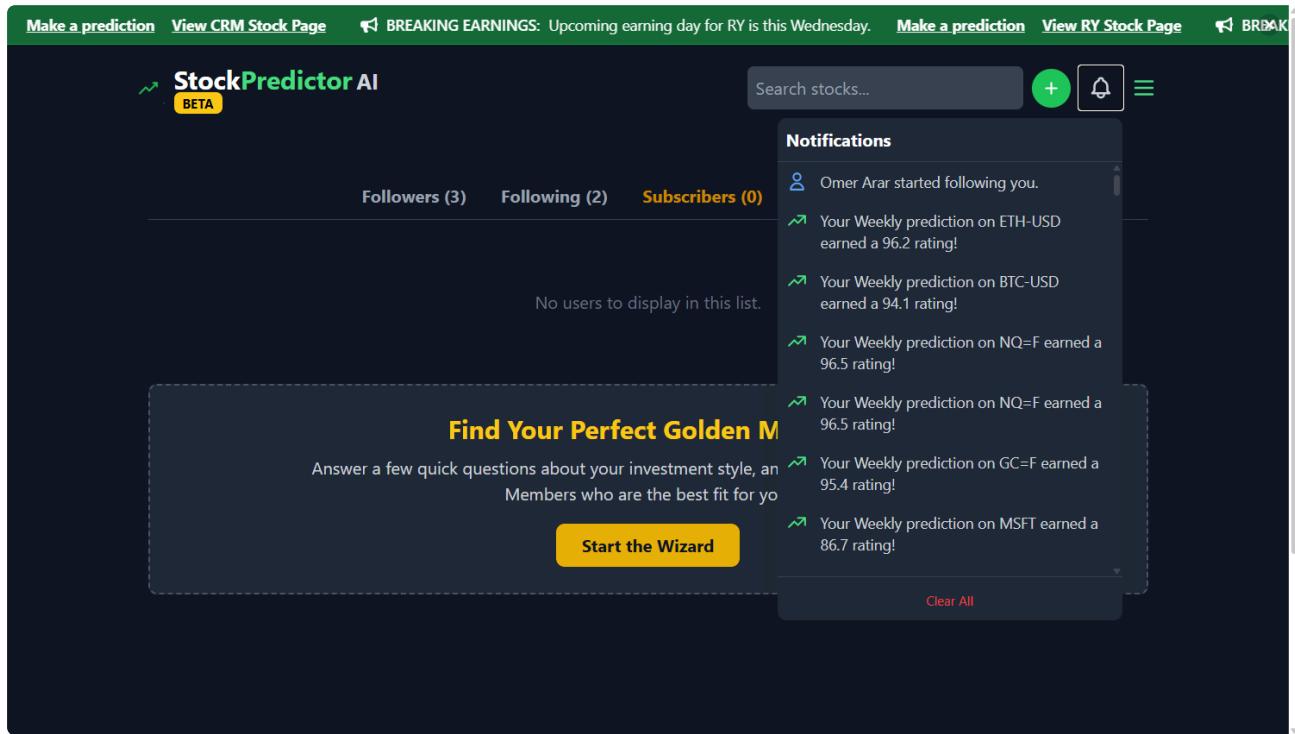

Seize the opportunity. The **Prediction Modal** makes it easy to set your target price, choose a timeframe, and add your rationale. Once submitted, your prediction is tracked in real-time on the **Prediction Detail Page**.

The screenshot shows a dark-themed user interface for StockPredictor AI. At the top, a header reads "Top Predictors for AAPL" with navigation links for All, Hourly, Daily, Weekly, Monthly, Quarterly, and Yearly. Below this is a list of top predictors, each with a profile icon and name: 1. Rebecca Jonathon (Avg Rating 97.1), 2. Omer Arar (Avg Rating 91.4), 3. Faruk Altan (Avg Rating 88.1), 4. Tom Johnson (Avg Rating 78.2), and 5. Ak Ka (Avg Rating 60.3). A central modal window titled "Make a Prediction" is open for AAPL. It displays the current price as \$278.85 and a progress bar for a prediction due on "For Fri, Dec 5". The "Type" dropdown is set to "Weekly", and the "Target Price" input field shows \$301.16 with a "8.0%" change. A "Rationale (Optional)" text area contains the text "Strong momentum.". A large green "Place Prediction" button is at the bottom of the modal.

The screenshot shows the "Weekly Prediction" detail page for AAPL. The top navigation bar includes links for "Make a prediction", "View BHP Stock Page", and "BREAKING EARNINGS: Upcoming earning day for CRWD is this Tuesday." Below the navigation is the "StockPredictor AI" logo with a "BETA" badge. A search bar with placeholder text "Search stocks..." and a menu icon are on the right. The main content area features a "Weekly Prediction" card for AAPL. The card has a "Target" button, a "Target Price" of \$301.16, and a "Rating at Close" section with three dots. It also shows "Time Remaining" as 5d 7h 21m 35s. At the bottom, there's a "DO YOU AGREE?" section with thumbs up and down counts of 0, and a "13" icon. The overall theme is dark with blue and green highlights.
